THE FIRST DIGITAL PLATFORM FOR WINE LOVERS  
WORLDWIDE DEDICATED TO WINE TOURS IN THE  
VINEYARDS OF THE WORLD

[WINEPATHS.COM](http://WINEPATHS.COM)

**Wine Paths' objective is to put an international audience of wine lovers in touch with the best establishments in the leading winegrowing regions in the world.**

Designed for epicurean travelers, this website is an online guide, listing **outstanding establishments in the leading winegrowing regions** of the world. Wine Paths members include **wineries and distilleries, prestigious restaurants, luxury hotels and local travel agencies** with expert knowledge of their region.

World-famous winemaker **Michel Rolland** brings his invaluable expertise to Wine Paths, where he presents his selection of preferred wineries.

“RESTAURANTS HAVE THE MICHELIN GUIDE, LUXURY HOTELS HAVE “RELAIS & CHÂTEAUX” ... ALONGSIDE THESE GREAT NAMES, “WINE PATHS” WANTS TO BECOME THE BENCHMARK WEBSITE FOR WINE TOURISM IN WINEGROWING REGIONS AROUND THE WORLD.”

The Wine Paths team had the idea of designing this website, because they understood how extremely difficult it can be to organize a bespoke stay in a wine region, when you are on the other side of the world. Wine Paths provides a solution to this through its demanding selection of members, leaving its visitors extensive freedom to organize their trips according to two approaches:

***CONTACT MEMBERS DIRECTLY***

For those who want to organize their trip by themselves, all the necessary tools are available on the website to contact the featured members directly: the wineries, restaurants, hotels and activities selected by Wine Paths.

***CONTACT LOCAL TRAVEL EXPERTS***

For people who prefer to have their trip organized for them, Wine Paths puts them in contact with selected local travel experts, who are best placed to design bespoke trips corresponding to visitors' wishes.

## STEP-BY-STEP INSTRUCTIONS
